WARNING

• Use only STAR stainless steel security seals (Part # SSLOCK) to secure against unauthorized access

• Not rated for vehicular traffic loading

WARRANTY FRALO Plastech Mfg. warrants the STAR™ Plug Cover for a period of five years from date of purchase against any manufacturing defects, providing the plug cover has been used and installed in accordance with manufacturer's written instructions. FRALO will, at its option, repair or replace any plug cover it deems to be defective and FRALO's obligations under this warranty are strictly limited to the repair and/or replacement of the defective plug cover. FRALO assumes no liability in cases of improper installation or misuse. FRALO is not responsible for any resulting contingent liabilities or charges. This warranty applies only to the original plug cover installation.

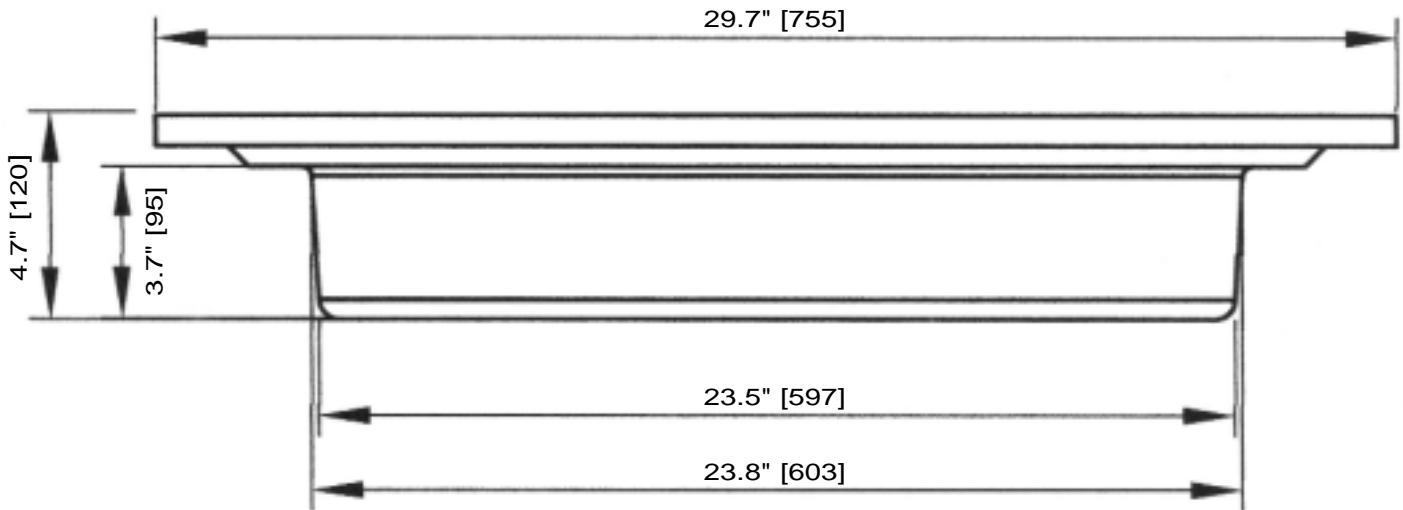

With an emphasis on products for the wastewater and environmental industries, FRALO Plastech is your innovative partner in business. Our products are engineered for performance over the long term. We welcome your comments and look forward to meeting your future engineered plastic product needs.
